Dear Reg:

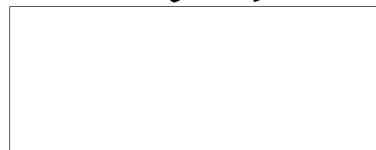

Hope your stay in Colorado was a pleasant one. That's such beautiful country, it's hard to leave. The summer has come and gone much too fast and I did not accomplish nearly that which I had planned.

I am enclosing photographs taken with the Seminar group at the morning session of May 10. In the rush of matters, the Certificate of Appreciation we presented you got through with a misspelled word. Please destroy it and replace it with the enclosed Certificate.

The 18-19 minute executive version of the video taping has been a big hit. If you get back to Washington anytime, I would like to show it to you.

I want to thank you again for your splended support.

Best Regards,

STAT
